Please note: -

All specifications are for reference purposes only and are subject to change by Turbo Dynamics Ltd. without prior notice. All boost pressure recommendations are subject to engine condition and preparation. Modifications to the engine can affect the performance and reliability of the turbocharger and the related performance figures. For further information please talk to our technical staff who may refer you to one of our recommended tuners. All prices are in Pounds Sterling (UK), net ex-works & VAT and supersede all previous prices.
